

How Renting from Us Works

Interested in renting a Jet Ski, paddle board, or kayak? You've come to the right place. We have the newest equipment on the water! Here is how the process works:

For Jet Skis:

1. Book the Equipment:

- a. You can book online on our website through the “**Book Now**” tab, or you can call us at (864) 499-1852 if that is easier for you. Here, you will enter your information. If you know what boat ramp you want to start your rental at, please include this information here.

2. Payment:

- a. Online reservations require the full rental fee paid at booking.
- b. Phone bookings only require half the rental fee to book (day-of rentals require the full booking fee paid upon reservation).

3. Determining the Drop Off Location:

- a. We will meet your party at the closest boat ramp to start your rental. This may be a private boat ramp in a neighborhood or a public access ramp. There are many ramps around the lake, so pick which one is closest to you! For a map of these ramps, see our “**Lakes and Drop off Locations**” tab. If you do not know the closet ramp, we will be glad to assist you. All the public access ramps have parking available
- b. All Lake Jocassee rentals will begin at the Main Ramp at Devils Fork State Park.
- c. In some cases, if you are renting more than one Jet Ski for multiple days, we are able to deliver the Jet Skis directly to your dock and begin the rental there. This is not applicable in all cases.

4. Confirm Location and Time of the Rental:

- a. A member of the Endless Adventures team will reach out and confirm your rental. The day before the rental we will confirm the exact time and location we will meet you the next day. We also will confirm the number and sizes of life jackets your party will need.

5. Check-in:

- a. we will meet you at the location most convenient to you. Here we will get some paper work signed, go over a safety briefing, and go over operation of the Jet Ski.

- b. It is imperative that everyone who will be riding or operating the Jet Skis be at check in. **Everyone who plans on operating will need to bring their license with them.** We will also note any existing damage and encourage you to take pictures for your own records. We will also set the pick-up time.
6. **Send off:**
 - a. You are all set! Enjoy the Jet Ski!
 7. **Pick-up:**
 - a. A member of the Endless Adventures team will meet you at the pickup location at the specified time. We will check the Jet Ski for damage and check the gas level. After that, you are all set!

5. **Signing the Waiver:**
 - a. It is easiest for everyone in your party to sign the online waiver, which will be emailed to you after you book the rental. This allows us to drop the equipment off even if you are not at the house when we arrive. If you are not able to sign the waivers online, then all members of your party must be present to sign the waivers at the drop off.

6. Drop off:

- a. A member of our team will bring the equipment and life jackets down to the dock for you. If you have already signed the waivers online, you are good to go! If you have not signed the waivers, we will provide them for you.

7. Enjoy the Rental:

- a. You are all set, enjoy!

8. Pickup:

- a. Please ensure the equipment is clean and the paddles and life jackets are all with the paddle board or kayak. After your rental is complete, we will come pick up the equipment. You do not need to be present at pickup. If the paddle board and/or kayak is clean and undamaged, you are all set!

It is our goal to make the rental process as convenient and enjoyable as possible. We will do everything in our power to ensure that you are maximizing your time on the water. If you have any questions, please feel free to reach out to us at (864) 499-1852
